Lynda,

1. The CD copies of the Final Reference Area FRI Work Plan were sent out via overnight mail today. They were sent prior to our receiving notification that Michelle was replacing Diane Vitols so although the one package is addressed to Diane, it is going to the same address provided for Michelle.

2. We have added Michelle to the Leviathan Mine SharePoint site users list and she should be getting login instructions via email from IST.SHAREPOINT@AMEC.COM.

3. We have reset Fred's password so he too should be receiving an email from IST.SHAREPOINT@AMEC.COM.

Please let us know if there are any questions.

Thanks,

Marc

Hi Marc,

Just sent an email about Michelle, could you also give her and Fred sharepoint access?

And please confirm hard copies/ CD copies are being sent to both Fred and Michelle by regular mail? Thanks!

Thanks much!

Lynda,

Can you please have Lombardi Update the list with Michelle Hochrein as the WTN&C contact (replace Diane Vitols)? Also all of our share-point passwords have lapsed (I was using Lynelle's last summer). These will have to be reset. BTW I usually get a CD sent, but I have not seen one on this topic. Was hoping to review on the plane trip down this Wed. Take care and looking forward to seeing you.

Lynda,

On behalf of Atlantic Richfield, Amec Foster Wheeler is submitting the _Final Reference Area Focused Remedial Investigation Work Plan, Leviathan Mine Site, Alpine County, California_ dated January 19, 2017.

This document has been loaded to the Leviathan Mine SharePoint. Because of the extensive size of the appendices, we cannot create a single pdf of the document. Instead we have created a single pdf that contains the transmittal letter, responses to comments, text, tables, and figures. Each appendix is provided in a separate folder.

Hard copy to follow.

This notification is to inform you of folders/documents stored on this site [1]. Click here to directly access the folder [2] where these folders/documents are stored. Click on the links below to access each folder/document individually:
